

## ABOUT US

Established in July 2011, Kay Michael Lee Studio was founded by Williston natives Sarah Christianson & Serena Christianson. They are honored to have the opportunity to share their combined experience of over 30 years in dance, theatre, teaching, & the performing arts.

KML Studio strives to provide an education that combines traditional & modern techniques for our students. Our goal is to provide an environment that empowers everyone to reach their fullest potential as artists, leaders, and global citizens.

Our vision is to become the premier source for dance education, apparel, accessories, and wholesome entertainment for the surrounding region.
