DURING THE EVENT

Hydration Our events are physically challenging, please remind your dancer throughout the event of the importance of proper hydration and nutrition while they're exerting themselves. Our student's health and well-being are important to us.

Your Job Make sure your dancer gets a good night's sleep before and during the event, has healthy snacks, and a nutritious lunch! Last but not least, be sure to make it to the Scholarship and Awards presentation at the end of the event!

REGISTRATION ANSWERS

We handle student registration through a third party online-registration service, Eventbrite. For questions about registration email registration@dancerogue.com

Eventbrite®

WHY DO STUDENTS HAVE TO SIGN UP ONLINE?

All students, including scholarship and mentor students, must still register through Eventbrite to capture information necessary for the event, (Insurance coverages, ages, levels, teeshirt size, etc). For the safety of the students we use a secure service that does not share private information with any other organizations or advertisers.

WHAT ARE THE FEES ASSOCIATED WITH ONLINE REGISTRATION?

If you pay PEDC directly, there will not be any processing fees. A processing fee that includes credit card fees and Eventbrite fees is added to the registration total, and is not received by Dance Rogue. This fee fluctuates in proportion to the registration amount. These fees are necessary to operate online payment services and is collected by Eventbrite only.

SCHOLARSHIPS

We award scholarships at the end of every Dance Rogue event. Actual scholarships and the audition process vary by event and may include invitations for students to join DR's p.U.N.I.T. (Protege & Pupil Mentor Program), sponsored classes at EDGE Performing Arts Center in Los Angeles, CA, or to future Dance Rogue events.

PUPIL PERKS:

- Free registration to all Dance Rogue events
- Training, networking and experience

PROTEGE PERKS:

- Free event registration, hotel and food to all DR events
- Designated mentor from our core faculty
- Training, networking and experience

If your dancer receives a scholarship or earns a mentoring position, our Mentoring Program Director, Charles Lawrence, will connect with you to talk about their achievement and provide more information.
