# Pageant Training

When it comes to pageants, co-founders Sarah Christianson and Serena Christianson's philosophy is similar to Michelangelo's: they believe that if you chip away the excess, then you can reveal the masterpiece inside the stone. It does not matter if you are looking for a kick start to your pageant career or an extra push, Sarah and Serena are here to help you reveal *your* true masterpiece. Both have over 10 years of experience in all the elements of pageantry (modeling, interview, public speaking, public relations, talent development) to provide you the tools you need for success.

Services they provide include:
