Greetings!

I am Sarah Christianson, Co-Founder and Artistic Director of Kay Michael Lee Studio. In July 2011, along with Co-Founder Serena Christianson, we opened up our dance studio to provide dance education to the Williston Region, focusing on the mission of becoming "The Region's Premier Source for Dance." Our doors opened August 2012, and it has been an incredibly successful ride ever since.

As performers, we learned early on the importance of community involvement. We are reaching out to you in an effort to show support for our youth and arts community. When we started in August 2012, we had around 20 dancers; today, we have grown to over 90 dancers ages 3 to adult. In just five years, we have earned many awards for outstanding choreography, costuming, and performance on the regional and national level. This year is going to be bigger than ever before: we are preparing our Competition Company to compete at a national competition for the second time in Wisconsin Dells, WI.

If you are interested in sponsoring our studio, there are two options, which you'll see on the enclosed sheet. You can either be a season sponsor, where you simply sponsor us and allow us to use the funds as needs arise. The other option is to pick a specific function and have your funds go towards that.

We look forward to continue representing Williston and hope to represent your organization to the best of our ability. Your financial support would truly help us achieve our mission of becoming "The Region's Premier Source for Dance."

If you have any questions, please do not hesitate to reach out to us. We look forward to hearing from you soon and hope to welcome you into the KML Family.

Sincerely,

Sarah Christianson
